

ENTOG EXCHANGE UK 2023

Dear friends and colleagues,

We welcome you to the ENTOG exchange 2023 in the United Kingdom where we are looking forward to hosting you in London, Birmingham, Edinburgh, Northern Ireland and more! The exchange will run from 18th to 21st September and will be followed by a Scientific Meeting on Friday 22nd September in Birmingham. The ENTOG council will take place on Saturday 23rd of September.

Obstetrics & Gynaecology (O&G) training in the UK

Working within the National Health Service (NHS), the UK has a 7-year run through training programme for O&G. We rotate to various hospitals in our training region yearly and follow national and local guidelines. National guidelines are developed by the RCOG as Green-Top Guidelines or NICE guidelines. This exchange is a brilliant opportunity for us to share our training experiences with you!

Exchange Programme: Monday 18th to Thursday 21st September

We invite you to arrive on Sunday evening to settle into your accommodation. The exchange starts Monday morning at your host hospital and continues until Wednesday. During the working day, you will shadow trainee doctors in your host hospital. Your host will help coordinate accommodation and suggest a social programme for the evenings to help you explore the city. We recommend using Thursday for tourist activities and travel to Birmingham for the Scientific Meeting.

Scientific Meeting: Friday 22nd September, Birmingham

Full programme for the scientific meeting TBC

ENTOG Council: Saturday 23rd September (am only)

Registration

Two trainees from each ENTOG member country will be invited on the ENTOG Exchange and selected by their national trainee society.

The **ENTOG Country Representatives** are kindly requested to communicate the details of the selected exchange participants using the application form sent by the Secretary-General and email the completed form **by 14th of February 2023** to executive@entog.eu

- Additional participants for the ENTOG Scientific Meeting and Council can be communicated with an e-mail to entogexchange23@gmail.com

ENTOG EXCHANGE and COUNCIL

18th -23rd September 2023

Price

€200 per observer to include ENTOG Exchange, the ENTOG Scientific Meeting and Council, Friday evening dinner + drinks.

Please note this price excludes all transport and accommodation

€100 if only attending the ENTOG Scientific Meeting and/or Council

The ENTOG Exchange brings together trainees from around Europe to improve standards, promote training and encourage research and exchange of information in O&G care. We encourage all participants of the ENTOG Exchange to join the full programme.
